For now, Dean's been asked for the Daily's, which I'll pdf and provide.
Dean also wants to know when we received what was due yesterday; I'll confirm and let him know.
As for copies off the deliverables, Dean asked for them in anticipation of requests for them.
I chatted with Steve A. and we'll vet them prior to sending any to Dean.

Was our commitment to the reporter for more than just Daily Reports? I didn't think so.

Plz hold up on sending "deliverables" other than ok
Dailies to Dean until we get this confirmed and even if this was the deal, don't send any other documents until vetted by SA or Me. There will likely be docs we ask for revisions on, and I don't want prelims going out that aren't up to snuff.
Thanks

Steve Armann
